

Coverttech LLC

award winning rigid pool covers

Coverttech - founded in 2000

COVERTECH likes to present it's 10 year anniversary book. We like to thank all our clients, architects, designers, and pool builders for the wonderful past and looking forward to the next 10 years.

Special thanks also to our manufacture GRANDO , who is the INVENTOR of the rigid slated pool cover "THE ORIGINAL", manufactures this pool cover since 1959.

In addition we are proud to introduce our new partners HoLiLi, Deuker, Cane-Line, Vondom, Matahari and Mazuvo, who manufacture luxury outdoor furniture.

Please enjoy!

exceptional

COVERTECH LLC

In celebration of Covertech's 10 year anniversary, we present this book, a collection of works created with our clients... architects, designers, and pool builders... using the Grando rigid-slatted pool cover over the past 10 years.

2

A special thanks to GRANDO, inventor of the world's leading rigid slatted pool cover manufacturing since 1959.

In addition we are proud to introduce Couture Outdoor, our umbrella company, presenting the world's leading luxury outdoor furniture and accessories including Cane Line, Vondom, Deuker, HoLiLi, Matahari and Mazuvo.

Please enjoy!

PRESENTS

The CoverTech logo consists of three blue curved lines of increasing size, stacked vertically, resembling a stylized signal or a protective shield.
